## Isuzu Diesel Injector Cleaner

Isuzu Diesel Injector Cleaner is a total injector treatment for diesel powered passenger cars and trucks. Isuzu diesel injector cleaner works in mineral diesel and biodiesel blends. One tank full of fuel treated with Isuzu diesel injector cleaner can help to:

- Restore lost power by removing harmful deposits from fouled injectors.
- Relieve cold start problems.
- Minimise harmful exhaust emissions.
- Reduce engine noise.
- Control injector deposits in biodiesel blends.

Isuzu Diesel Injector Cleaner 350ml **\$13.90**  
Isuzu Diesel Injector Cleaner 1L **\$30.35**

**\$44,170.00**

### ISUZU SERVICE AGREEMENTS

## Zero-stress servicing. Brought to you by Isuzu.

No business wants big, unexpected bills. But with an Isuzu service agreement, you can flatten your truck servicing costs into a predictable monthly payment (or upfront fee with Isuzu Essentials). You'll also be part of one of Australia's biggest dealer networks, so you can book a service at locations around the country. With the new Chain of Responsibility laws, proper servicing will protect your business. Lastly, service agreements come with Isuzu Care, Australia's most comprehensive truck customer care programme. To find out more, see your nearest dealer or visit [isuzu.com.au/care-support/service-agreements](http://isuzu.com.au/care-support/service-agreements).

Ask your local Isuzu dealer about which service agreement is right for you.
